## **SUBJECT: STATEMENT OF OUR PRODUCTS COMPLY WITH REACH**

Dear Valued Customer,

Thank you for using FUGEO products.

REACH Regulation EC 1907/2006 is the European legislation aimed to regulate the Registration, Evaluation, Authorization and Restriction of Chemical Substances. Under REACH chemical substances produced in EU or imported into the EU at a volume >1000 kg per year need to be registered with ECHA, the European Chemical Agency. The purpose of this Regulation is to ensure a high level of protection of human health and the environment, including the promotion of alternative methods for assessment of hazards of substances, as well as the free circulation of substances on the internal market while enhancing competitiveness and innovation.

The FUGEO products mentioned below comply with EC Regulation 1907/2006 (REACH).

**The FUGEO products include:**

**Adhaness®**

**Tobbarx®**

**Commplax®**

**Maxmery®**

**Eaxxilt®**

**Drynnat®**

While FUGEO will continue to update its customers regarding implementation of our REACH program throughout future registration phases, our customers remain responsible for complying with their own REACH obligation.

More information and guidance is available at <http://echa.europa.eu/>.

The information provided in this statement is based on our current knowledge and experience, and on the state of the REACH regulation on the date of issue. New certificates are published in the internet portal in case of alterations; the former certificates automatically become void. Therefore, we urgently ask you in your own interest to regularly check the confirmations issued in the internet portal with respect to modifications or changes. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

This product information was generated electronically and is valid without signature.
